### THE NEWS OF THE WEEK

Continued from page 1.

international commerce amounts to \$25,000,000 a year. The United States stands first as an exporting nation and third as an importing nation.

A question of veracity has arisen between President Roosevelt and ex-Senator Chandler. The latter acted as intermediary between the President and Senators Bailey and Tillman on the rate bill, and afterwards reported that the President said that he had lost confidence in Senators Foraker, Spooner, and Knox. The President positively denied that he had so expressed himself, and ex-Senator Chandler insists that he did.

#### FOREIGN

A Russian Vice Admiral, Kuzmich, was assassinated in St. Petersburg Monday.

Rebellious Zulus of South Africa were recently cowed by having a powerful searchlight turned upon them.

Russia now has a parliament. The constitutional democratic leaders are moving for a constitutional monarchy and a conflict is feared.

The Japanese and Russians have not yet evacuated Manchuria. The latter have failed to move out in accordance with the stipulations of the Portsmouth treaty.

#### LOCALS.

Don Primitivo Campos de San Marcial visitó la ciudad con negocios durante la semana.

Members of our local bar feel well satisfied with the appointment of Hon. H. A. Wolford as our District Attorney.

T. J. Chenoweth, with Mr. Nations, a wealthy sheepman of El Paso, Texas, looking for herders, was here last Wednesday.

Messrs. V. H. S. Schwartz, Max Kirchman, and Robt. T. Collins, with that abundant supply of water at their force pump above the city, will surely astonish any and all old-timers.

On last Wednesday the young heir of Don Felipe Lopez, our common ditch overseer, was brought to the baptismal font by his uncle and aunt, Don Eleuterio Pino, and wife. He was named Jose Felipe.

Scientist Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey, of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has affected a permanent cure. He troubled with sciatica or rheumatism why not try a 25-cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.

Mr. Baca will remain in town to attend to professional business during the June term of district court, and will then visit some valuable mining properties that he has recently acquired in the Mogollon district.

John Greenwald is making some substantial improvements on his residence in the eastern part of the city which when completed will make that residence one of the most convenient and comfortable as well as attractive in Socorro. The spirit of improvement is abroad in the city and everybody who has decided symptoms of being possessed of it should be heartily encouraged.

Mr. and Mrs. John Bowman and Mrs. P. N. Yunker arrived home yesterday morning from a month's sojourn at Los Angeles and other southern California points. Mr. Bowman is almost completely recovered from the effects of the scalding from escaping steam he received a few months ago while taking a crippled engine to the shops at San Marcial.

Thos. F. Vanaseck, a prominent Bohemian-American citizen and business man of New Prague, Minnesota, arrived in Socorro yesterday morning. Mr. Vanaseck was attracted hither by the advertisement of Max Kirchman's Bohemian colony project. He left home nearly three weeks ago and has since been visiting various parts of the country as far south as Texas and the Mexican border.

Messrs. Conrado A. Baca and Elias E. Baca returned Thursday from a four days' visit at the former's goat ranch near Paraje. They had a thrilling time boating across the raging Rio Grande, the waves running high in one place and a seventeen foot pole failing to reach bottom in another place. Mr. Baca says that the pasture is good and that he expects an increase of 110 per cent in his herd.
